

Nissan Forklift

Nissan Motor Co. Ltd prides itself on achieving total consumer fulfillment when enjoying one of their car, truck or forklift products. They are fully committed to delivering high value and meticulous quality values to their customers. Incorporating a fruitful heritage combined with solid processing principals, Nissan lift trucks offer many of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide forklift demands. Committed to offering customer support, the company has four independent production facilities that allow them to persistently adapt to their customers continually evolving requirements by providing an array of innovative ideas and designs.

The Nissan Lift truck North and South American center is stationed in Marengo, Illinois. A devoted team of 350 personnel is fully committed to the collaboration, design and fabrication of their products. Working under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing techniques that minimize the worldwide impact of their products and processes. These high standards remind clients that Nissan operates under the quality seal that their clients demand whilst being an environmentally responsive organization.

Nissan is certain that they will be capable of addressing any consumer questions or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned sellers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
